NOTES FROM THE SOCIAL CLUB PRESIDENT

WOW ! March came in like a lion and it went out with a lot of Social Club Events on its tail.

There were nine different events and activities that happened in March.

The Social Club Board will present a report of all events and financials that occurred from January to March at the social club meeting on April 12th after the coffee hour.

As the social club board enters into the summer shutdown, we are trying to get some suggestions and people to cover the summer activities..

So, please attend the April meeting and come up with some ideas and volunteers to oversee the summer activities. The board will be here most of the time, just not so involved. We need a little break.

- Ilene J Nutting

THANK YOU

I would like to thank Dan Bond for taking over the task of cleaning our mailbox that serves lower Lilly Bea and Gill Ave. My deceased hubby, Al Lindke used to do that job every spring.

- Sandy Lindke

THANK YOU

Brian and I would like to thank everyone for their cards and kind words at the passing of my brother and his dad.

Sincerely, Brian and Margaret Bandkau

FROM THE EDITOR

I would like to take the opportunity to remind residents that articles that cannot be read as having come from a specific person, committee or group will not be published. This includes unsigned articles dropped in my mailbox at my house. If you'll notice, every article in the newsletter has some kind of indication as to who it came from.

If you have an issue with your neighbor's behavior in regards to the community rules or property, you need to file a report with the HOA's Rules and Regulations committee chair. Any community property maintenance issues go to the Facilities chair. Reports need to contain specifics and must be signed.

Public forums like the newsletter, meetings or social gatherings are not the places to address them.

- Clark Alexander

GRATITUDE

My neighbor, Josette, offered me her chain saw to get rid of a stump in my front yard. Little did we know! We were so naive.

In the following days many people drove by in their carts looking concerned and wondering how this task would ever get accomplished. Well, there were many helpers; some lending tools and others working on the task. I met John who helped with an electric hand saw. My neighbor, Doug, also used his electric hand saw. Doug worked morning and afternoon for two days. Amazing! Then Tom came by on Saturday and the task got done with his powerful chain saw.

I am overwhelmed by the many people who had a part in getting this done. I am proud to be living in Grand Horizons. New people and people I knew were there for me. What a wonderful feeling!

STAMPS FOR THE WOUNDED (SFTW)

Thank you for saving the postage stamps that come on your mail for Veterans in V.A. Hospitals. The stamps help the hospitalized Vets overcome *boredom, loneliness, frustration*. Working with the stamps are good therapy for the body and mind.

It only takes a minute to cut the stamps from your mail. When you go to the GH community center, put them in the box or drop them off at my home. Be sure to leave about a quarter-inch of paper around the stamps.

If any residents are not familiar with the program, please feel free to contact me and I will be happy to share it with you.

- Ray Morris, 352-598-2386. or stop by 37543 Landis Ave.

SUNSHINE/BEREAVEMENT CONTACT

If you know of any resident that is hospitalized or if you know of a resident that passes away, (or if you hear a rumor about someone,) **please contact Robbie Lockard at 813-453-1733** so help and comfort can be sent and lists updated. If you are unable to reach Robbie you can call a Social Club Board Member.

PEGGY'S POETRY NOOK

I received notice from Ilene Nutting that my Poetry Nook article was being restricted to one-half page in The Buzz, which will offer readers no in-depth content. I write for other publications so will still be doing this on a monthly basis. If you are interested in my latest article, please contact me by email and I will send it to you individually. Thanks in advance for your interest and support.

MAH JONGG

It is a good time to come to Mah Jongg, to see how it is played. We will be glad to teach you. We meet Wednesdays, 1:00 PM to 4:00 PM. If you want, you can come late and leave early. If you have never played Mah Jongg with a card, which we can furnish for you, and dice, and racks, which we put the tiles on, come to the club house and see if you would like to learn.

- Gloria Rivord 813-779-5056.

SHUFFLEBOARD

Shuffleboard is a light physical activity with just enough competition to make it fun. Mondays, Wednesdays and Fridays at 10:00 AM.

- Bill Quinn 813-788-5868

WALKING EXERCISE

Our Walking Exercise is 9:00 AM on Tuesday and Thursday each week. If you haven't stopped in to see what we do, please come by and join in or just sit and watch. We use a One Mile Leslie Sansone DVD and we walk using 4 different steps: walking, side steps, knee bends or kicks. It is very easy. Sometimes we use a stretchy band or weights. Come on up and have a try. At the least you get out of the house and maybe meet some new neighbors!

- Pat Mengel 810-275-4157

EUCHRE

Euchre is enjoyed Thursday evenings at 6:30 PM in the Community Center. It's FREE!! No need to bring a partner. If you haven't played before, or haven't played for awhile, please come - we will teach/refresh you. We have a good group -- don't play for blood -- just for fun and socialization ;-)

We have lots of games/activities that have survived with skeleton groups! Please come out to meet your new neighbors and -ENJOY!

EXPLODING KITTENS

Exploding Kittens is a fun sudden-death Russian Roulette card game, "For people who are into kittens and explosions and laser beams and sometimes goats." The more players, the wilder the action as they attempt to force other players into drawing a card that eliminates them from the game until there is a lone victor.

We can add in the Streaking Kittens, Imploding Kittens, Barking Kittens expansions, and/or use Recipes for Disaster to add even more craziness. We also have Zombie Kittens.

Rules are available at <https://www.explodingkittens.com>

Wednesdays, 1:30 PM in the clubhouse. We need at least 4 players each week to make it fun and we can handle as many players as needed.

- Clark Alexander 401-743-7473

BINGO

Come join us on Tuesday evenings for a friendly game of BINGO -- You could be a lucky winner of \$\$\$ whilst helping the social club with your card fees.

Meet new friends and have a great time with us! Tickets on sale from 6 PM until 6:30 PM. Games start at 6:45 PM.

- Your Social Club's Bingo Callers

PINOCHLE

We play Pinochle each Tuesday at 1:30 PM at the CC.

We play both single deck and double deck: 3 handed, 4 handed, and 6 handed, depending on the number of players.

- Jim Leitzke 813-780-1549

WATER AEROBICS

Water Aerobics is every Monday, Wednesday, and Friday at 10:00 AM. Please join in on this great exercise class that has many benefits for your health. You don't need to know how to swim and you are only in water up to your chest.

LIBRARY MAGAZINES

The Grand Horizons library now has a magazine exchange basket. If you have any magazines you would like to share, place them into the basket on the library table. Every two months the old magazines will be removed from the basket. If there are any magazines that you would like to keep, help yourself.

FRIDAY CONNOISSEURS

Nice to see 38 Grand Horizons residents ready to enjoy a nice meal and great conversation at the Wesley Chapel Texas Roadhouse on Friday, March 10th. Only one waitress but she did a good job of serving all of us. Thanks for attending.

Connoisseurs next outing is April 14th, 2:00 PM at Beef O'Brady's Zephyrhills. Your hosts are Tom Carter and Bill Donlon. I am sure you have seen the \$10 choices on the TV commercials. Thanks a bunch Tom.

Wish some of you other guys and girls would step up and help us. All it takes is a phone call to your special eating spot. It is the same few people who take a turn at hosting. I am afraid those volunteers are going to burn out and Connoisseurs will fall by the wayside. If you enjoy this once a month year round outing then help us keep it going. I do the article for the Newsletter and Greg prints up the signup sheets. There is a volunteer host signup sheet on the Connoisseur's clipboard. I need a host for May. Any questions give me a call.

- Sandy Lindke 813-696-1352

NEWSLETTER DEADLINE

The deadline for submitting all newsletter content is the 25th of each month. (The February edition's due date is January 22nd.)

The deadline allows for your crackpot editor and his much more sane crew of proofreaders to hunt down issues and destroy them with extreme prejudice.

Thank you!

LIBRARY REPORT

Outdated library books have been purged and a new book catalog has been printed. We are still having issues with residents who donated outdated books to the library. If the book is copyrighted for before 2008 PLEASE do not leave them at the library. These become my problem as to where to store them and how to remove them from the library. If you want to keep them and donate them to the Social Club for the yearly books sale, we will welcome your donation.

Thanks to John Watkins for helping keep the books shelved.

Any questions feel free to ask your librarian, Ilene Nutting 315-771-7862.

MEXICAN TRAIN

Mexican Train (a Domino game) is enjoyed Monday evenings 6:30 PM in the Community Center. It's FREE!! If you haven't played before or haven't played for awhile, please come - we will teach/refresh you. We have a good group -- don't play for blood -- just for fun and socialization (and a *little bit* of picking on each other!!)

GOLF LEAGUE

The Tuesday morning Grand Horizons Golf league plays at Scotland Yards Golf Course (Dade City). The golf league will run through the last Tuesday in April. Our tee time this year is at 10:00 AM so be at the course by 9:30 if you want to play.

You can come as a foursome, twosome or single and we will pair up with those that need pairing. This is a fun league and all levels of players are welcome (men and women).

The cost will be the league green fee (\$35.00) and I collect \$2.00 for prize money to be distributed for closest to the pin on hole #8 and #18. One dollar if you are only playing 9 holes. Women and the men over 80 play from the red tees, men under 80 play from the gold tees.

NO NEED TO SIGN UP, JUST SHOW UP TO PLAY AND BRING YOUR FRIENDS (EVEN FROM OUTSIDE OF GRAND HORIZONS). ALL ARE WELCOME!

No charge for residents. Bring a drink and a place setting for each person. There will be a signup sheet in the community center. Sign up by Wednesday, April 5th.

Sandy will be the host filling in for Dianne. Would you like to have potluck dinners during the summer months? Let Ilene Nutting know your feelings on making this a year round occasion.

SOCIAL CLUB MEETING

QUILTING

Our quilting group meets on Friday morning at 9:00 AM in the Clubhouse in the Craft Room. Anyone who would like to learn to quilt, or those who have been quilting for years are welcome to join us. It's always nice to have fresh ideas.

Please stop in any Friday morning - we would love to meet you! We work on our own projects or we make quilts to give to Moffitt Cancer Center, and we also give to those in the park who have had surgery.

Sometimes we just sit around and talk!

If you have any questions, please call Margaret Castonguay at 813-355-3197

Egg In A Bag

Spaghetti!

Please check to see if your name & address are listed correctly, along with any change of phone numbers or email addresses. Whose phone number is whose is something I need to know. Please give me your birthday, anniversary, and home state.

If you need to correct anything please contact me, Rita Gattos, at 813-355-3344 so updates or corrections can be made.

Directory listings start with a section where residents listed alphabetically at the beginning of the directory. Then in the next section streets are grouped alphabetically with each resident in alphabetical order on that street. And there's another section in the end of each street grouping where the residents are listed in order by address. In essence, there are three places where your will appear in the directory and I ask that you check all of them.

Thanks, in advance, for your help in keeping the directory up to date.

LOST ITEMS

Dave Lawrence has asked me to publish a request to return a chisel that was lost somewhere in the neighborhood. It has sentimental value. If you find said item, please bring it to him at Coffee and Donuts or some other social event, or call him at 813-702-4629.

In addition, an Apple Pencil was also reported as being lost in the neighborhood. It has the owner's name engraved on it. Okay, it's actually mine.

DID YOU KNOW. . .

First snack advertised on TV: Lays potato chips.

A third of Americans are a different religion now than when they were kids.

1700 men visit emergency rooms each year for "zipper accidents."

Elephants can jump.

First package mix sold: Aunt Jemima Pancake flour (1889).

If you peel off a Post-It from the side, it won't curl like when you pull from the bottom.

Watermelon rind is edible (and full of vitamins).

TRY IT: Soaking shrunken clothes in warm water and hair conditioner will unshrink them. After soaking, stretch them back to their normal size.

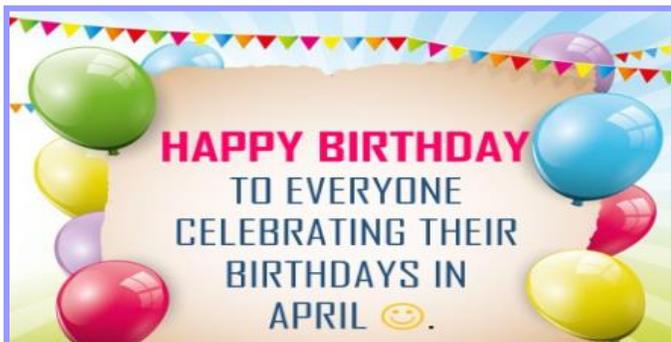

Marlon Brando liked to stay up all night watching ants walk around his kitchen.

Ouch! About 750 Americans lose a finger in snowblower accidents each year.

In some Alaskan kindergartens, children are taught how to butcher moose.

HOA MEETING REMINDERS

Monthly April Board Meeting

Thursday, April 13th 6:30 PM
In the Community Center

REMINDER FOR DOG OWNERS

All pet owners are required to "pick up" after their pets when walking them within the community. This not only includes residents' yards but also anyone who walks their dogs on HOA property including the grassy parking lot at the Community Center, the empty "lot" next to the pool, and all areas of the retention pond. Please note that violation is not just against HOA rules but also against City of Zephyrhills ordinances and that does carry a fine. So please be courteous and pick up after your pets!

Also note that your dog must be on a leash at all times except when on your own personal property.

- HOA President

WEBSITE ACCESS

Access to the resident's only section of the website is only granted to current residents of Grand Horizons, and only after they have started occupying their residence. This is by direction of both the HOA Board and the Social Club. The only method that I have to verify applicants as new residents is when they are greeted by the Welcome Committee and listed in the directory. When you sign up for website access, you must put your address and lot number in the form.

- Editor

Within that website, you have to log in and under Residents Only you will find Community Messages, HOA Board Minutes and Reports, Social Club information, Community Calendar & Events, Newsletter & Directory of Residents, information on One Call, and any recorded HOA Meetings as well as other information.

MESSAGE FROM THE PRESIDENT OF GRAND HORIZONS HOA

As we enter April we are soon approaching Easter. Hopefully everyone will have a "hopping" good time during Easter and keep their thoughts on some "bunny" special in their lives as we celebrate this "Holy" time of year.

This also means many of our friends here in Grand Horizons will soon be bidding goodbye to us as they plan trips and leave for the summer or parts of the summer to other parts of the country.

I would like to take the time to wish each a safe journey first and foremost.

And to remind them that during the summer months and going right into fall is hurricane season. This also marks when we can also get severe thunderstorms. As both can bring

heavy rains and high winds we ask you please take the time to "hurricane prepare" your homes. This means moving anything that can be airborne from outside your home to inside whenever possible. If you are away, it's always a good idea to perhaps arrange with a neighbor or friend to "keep an eye" on your home while you are away as well.

And if you are away, please take time to update your emergency contact information with the HOA Office or at minimum a friend or neighbor who will be in the area. That is in the event of something happening to your home that you can be notified.

Regards,
Bill Huckeby
