The Buzz

NOTES FROM THE SOCIAL CLUB PRESIDENT

Daylight savings time will begin Sunday, March 12th.

That means more daylight and more activities.

More people will ride around in their golf carts, sit outside, and visit.

We had some fun events in February. The Mardi Gras party had a great turnout of 75 people who came to listen and dance to the Music Ambassadors. Country Music with Skip always has a nice group who gather to listen to his music.

We have a full calendar for March. Be sure to check your newsletter to see what's going on.

Don't forget to bring your donations to the community center starting March 9th for the Yard Sale.

See at all these events.

- Ilene Nutting

THANK YOU!

On January 4th, I fell due to a recent increase in blood pressure medication. I returned from Publix with my groceries, opened the trunk, and that is all I remember until riding in the ambulance.

I would like to thank all the ones who found me, called 911, and gave me care until help arrived. A broken wrist and a fractured eye socket was the diagnosis.

Thank you to all in the quilting group for the beautiful lap quilt. Thank you also to my special neighbors for flowers, food, cards and help with Bella. A special thanks to all for prayers.

I am blessed to live in a great community.

- Ginny Couchman

APOLOGIES!

I am sorry. The thank you note in the left column from Ginny was supposed to be in the February issue and somehow did not make it into the final version. I'd blame the cats, but I've been told not to ruin an apology with an excuse.

- Clark Alexander, Editor

THANK YOU!

Thank you to our GH friends for all the delicious food, beautiful cards, prayers and words of encouragement during my recovery. There is nothing like good friends and sunshine to lift one's spirits and aid in the healing process. We are truly blessed!

Thanks again!

- Pat and Dan Bond

EXPLODING KITTENS

Exploding Kittens is a fun sudden-death Russian Roulette card game, "For people who are into kittens and explosions and laser beams and sometimes goats." Wednesdays, 1:30 PM in the clubhouse.

Love and Friendship by Emily Brontë

Love is like the wild rose-briar,
 Friendship like the holly-tree --
 The holly is dark when the rose-briar blooms
 But which will bloom most constantly?
 The wild-rose briar is sweet in the spring,
 Its summer blossoms scent the air;
 Yet wait till winter comes again
 And who will call the wild-briar fair?
 Then scorn the silly rose-wreath now
 And deck thee with the holly's sheen,
 That when December blights thy brow
 He may still leave thy garland green.

Emily Brontë

Peggy's Poetry Nook

Emily Brontë is best known for authoring the novel '*Wuthering Heights*.' She was the sister of Charlotte and Anne Brontë, also famous authors.

Who Was Emily Brontë?

Emily Jane Brontë lived a quiet life in Yorkshire with her clergyman father; brother, Branwell Brontë; and two sisters, Charlotte and Anne. The sisters enjoyed writing poetry and novels, which they published under pseudonyms. As "Ellis Bell," Emily wrote *Wuthering Heights* (1847)—her only published novel—which garnered wide critical and commercial acclaim.

Early Life

Born on July 30, 1818, in Thornton, Yorkshire, England, Emily Brontë is best remembered for her 1847 novel, *Wuthering Heights*. She was not the only creative talent in her family—her sisters Charlotte and Anne enjoyed some literary success as well. Her father had published several works during his lifetime, too.

Emily was the fifth child of Reverend Patrick Brontë and his wife, Maria Branwell Brontë. The family moved to Haworth in April 1821. Only a few months later, Brontë's mother died of cancer; her death came nearly nine months after the birth of her sister, Anne. Her mother's sister, Elizabeth Branwell, came to live with the family to help care for the children.

At the age of 6, Emily was sent to the Clergy Daughters' School at Cowan Bridge with Charlotte and her two oldest sisters, Elizabeth and Maria. Both Elizabeth and Maria became seriously ill at school and returned home, where they died of tuberculosis in 1825. Brontë's father removed both Emily and Charlotte from the school as well.

At home in Haworth, Brontë enjoyed her quiet life. She read extensively and began to make up stories with her siblings. The surviving Brontë children, which included brother Branwell, had strong imaginations. They created tales inspired by toy soldiers given to Branwell by their father. In 1835, the shy Emily tried leaving home for school. She went with Charlotte to Miss Wooler's school in Roe Head where Charlotte worked as a teacher. But she stayed only a few months before heading back to Haworth. Coming from a poor family, Brontë tried to find work. She became a teacher at the Law Hill School in September 1837, but she left her position the following March. Brontë and her sister Charlotte traveled to Brussels in 1842 to study, but the death of their aunt Elizabeth forced them to return home.

'Wuthering Heights'

Some of Emily's earliest known works involve a fictional world called Gondal, which she created with her sister Anne. She wrote both prose and poems about this imaginary place and its inhabitants. Emily also wrote other poems as well. Her sister Charlotte discovered some of Emily's poems and sought to publish them along with her own work and some by Anne. The three sisters used male pen names for their collection—*Poems by Currer, Ellis, and Acton Bell*. Published in 1846, the book only sold a few copies and garnered little attention.

Again, publishing as Ellis Bell, Brontë published her defining work, *Wuthering Heights*, in December 1847. The complex novel explores two families—the Earnshaws and the Lintons—across two generations and their stately homes, Wuthering Heights and Thrushcross Grange. Heathcliff, an orphan taken in by the Earnshaws, is the driving force between the action in the book. He first motivated by his love for his Catherine Earnshaw, then by his desire for revenge against her for what he believed to be rejection.

Death and Legacy

At first, reviewers did not know what to make of *Wuthering Heights*. It was only after Brontë's death that the book developed its reputation as a literary masterpiece. She died of tuberculosis on December 19, 1848, nearly two months after her brother, Branwell, succumbed to the same disease. Her sister Anne also fell ill and died of tuberculosis the following May.

Interest in Brontë's work and life remains strong today. The parsonage where Brontë spent much of her life is now a museum. The Brontë Society operates the museum and works to preserve and honor the work of the Brontë sisters.

Happy Birthday!

The world's first telephone was patented on the 7th of March, 1876, by Alexander Graham Bell. He made the first phone call only three days later to his assistant, uttering the first phrase ever transmitted via telephone: "Mr. Watson, come here. I want to see you." Bell's invention went on to change the world and the way we communicate forever. What a legend.

Monopoly was invented in 1933! Slightly less groundbreaking than the telephone, perhaps, but the 7th of March 1933 marked the invention of family favorite board game Monopoly. In calling it a family favorite, we, of course, exclude the many, many families unable to play the game civilly.

There is a sign up sheet at the clubhouse if you are interested in buying a directory.

I don't want to have 50 printed if only 10 are interested in buying one.

The directory could be anywhere between \$10 & \$15 dollars each. The quote before I changed the lay out with 27 color sheets of paper was \$15 dollars . Now I have 31 sheets of paper. Then I can fold and staple them or at a cost they will do it.

Please let me know if you are willing to pay for a directory or not; by signing up for one. Then I can give the printer a count and they can give me a more accurate quote.

So you go to the directory and look for the picture of a neighbor you met then connect with the face. We are all seniors and it's hard to remember. We live in a great neighborhood. Let's get to know one another, we might need the help or company one day. Please check your info out in the directory. It's alphabetical in the front of the directory, then alphabetical by street and then alphabetical on that street. Check it out! Residents of Grand Horizons,

Thank you so much for your generous donations to the St. Vincent de Paul Food Pantry at St. Rita Catholic Church. The food that you have donated will go to feed many of our neighbors and their families. We feed approximately 80 to 100 families each week and this would not be possible if not from generous communities like yours. We would like to invite you to come and visit the St. Vincent de Paul Food Pantry on any Wednesday morning or come on Thursday when we are feeding the hungry.

Thank you again for your generosity.

Sincerely,

Ed Heinrich, VP
St. Vincent de Paul

MESSAGE FROM THE PRESIDENT OF GRAND HORIZONS HOA

One of the most frequent complaints we get from residents both privately and publicly at meetings concerns vehicles, both in the form of cars, trucks, etc. as well as golf carts and other motorized forms of transportation as

well as bicycles ignoring both the stop signs as well as speed limit signs.

Please note that ALL vehicles need to stop at ALL stop signs. And everyone should obey the speed limit which is 20 miles per hour.

I would also like to advise those who are walking either for health or their pets early in the morning or later in the afternoon or evening that darkness falls quickly this time of year. Please make sure to wear reflective clothing and/or carry a light if you are out walking. We do have residents driving and the darkness of early morning or evening make it difficult to see you.

And if you're driving a motorized vehicle of some type or on a bicycle please make sure you have your lights on!

Thank you.

MARCH 12

GRAND HORIZONS HOA PRESIDENT'S REPORT

MARCH 9, 2023

Welcome to March!

With this month's board meeting we have two new members serving our community. And 5 "old" members are still serving our community. Below is the complete list:

President and Rules & Regulations Chairperson - Bill Huckeby
Vice President and Sales/Resales - Brian Silva
Secretary - Cindy O'Brien
Treasurer - Carol Reed
Director and Assistant Secretary - Peggy Kunkel (new)
Director and ALC Chairperson - Tom Cooper
Director and Facilities Chairperson - Norman Rautenberg (new)

As we "blow into March" and await the April showers which bring even more pollen to the air, please take time to get to know the people who are on your board of directors.

Upcoming this year, no major projects are planned. We are still working, as of February 23rd the repairs in the road have yet to be completed. We will be taking a "walk" around the fence line that surrounds the community to see what needs to be trimmed back or "fixed". Day to Day operations continue.

Within the community, many of our fellow residents are now planning their summer trips either back to their "homes" in the north or elsewhere in the world. Wish them all safe travels.

But if you do plan on being away for the summer, please take the time to ensure the outside of your home is secured as summer brings two things: hurricanes and severe thunderstorms. Both can cause anything not secured outside of your home to be relocated.

Thank you,

Bill Huckeby

President, Grand Horizons HOA BOD

HOA MEETING REMINDERS

Monthly March Board Meeting

Thursday, March 9th

April Board Meeting

April 13th

All Meetings are in the Community Center

Meetings begin at 6:30 PM

REMINDER FOR DOG OWNERS

Reminder that all pet owners are required to "pick up" after their pets when walking them within the community. This not only includes residents' yards but also anyone who walks their dogs on HOA property including the grassy parking lot at the Community Center, the empty "lot" next to the pool, and all areas of the retention pond. Please note that violation is not just against HOA rules but also against City of Zephyrhills ordinances and that does carry a fine.

So please be courteous and pick up after your pets!

- HOA President

WEBSITE ACCESS

Access to the resident's only section of the website is only granted to current residents of Grand Horizons, and only after they have started occupying their residence. This is by direction of both the HOA Board and the Social Club. The only method that I have to verify applicants as new residents is when they are greeted by the Welcome Committee and listed in the directory. Your support is appreciated!

- Editor

Within that website, you have to log in and under Residents Only you will find Community Messages, HOA Board Minutes and Reports, Social Club information, Community Calendar & Events, Newsletter & Directory of Residents, information on One Call, and any recorded HOA Meetings as well as other information.

POOL REMINDER

When you are done with the umbrellas please remember to lower them and tie them. With the chance of significant storms increasing if they are left up they will be damaged. There have been several instances where they were left up and open and had to be lowered by other residents. So please, make sure they're down. And please ensure your guests are aware of this as well.

All persons, residents and guests, must have an orange wristband. Otherwise they may be asked to leave the pool area.

And guests, under the age of 18, may use the pool if accompanied at all times by an individual who is 18 years of age or older. If there are guests who are not 18 and not accompanied by someone 18 or older they will be asked to leave the pool.
