NOTES FROM THE SOCIAL CLUB PRESIDENT

Hello Everyone,

By now you probably know that I've taken over for Ilene as President of the Social Club. It's going to be a tough act to follow, but I'll do my best to serve you.

As we move into our summer schedule, we finished the spring season with a great Pancake Breakfast and a wonderful Easter Potluck. We also enjoyed the dance music of the Music Ambassadors who promise to come back next season.

Remember that our summer season cuts back on some events, but we're far from closed. Daily and weekly programs will continue, featuring our Wednesday Coffee and Donuts and the Friday Connoisseurs will continue their explorations of our favorite restaurants. In addition, a number of events are in the planning stage including two ice cream socials and much more.

Finally, your board will be meeting throughout the summer to plan for next season. We would welcome your ideas and suggestions.

For those of you who are leaving, have a wonderful summer and stay safe.

Jim

The love and support from our community that was extended to me and my family since Dave's passing has been so deeply appreciated. Thank you. You all are like family. I would not want to live anywhere else.

Thank you 

Jennifer Molinek and the Molinek Family

STAMPS FOR THE WOUNDED (SFTW)

Please continue to save any U.S. and foreign stamps for our program. It cost you nothing but a few minutes of your time to cut the stamps from the envelope and drop them in the box.

With the number of Veterans we have in Grand Horizons and the residents that offer us moral support we should be able to gather numerous stamps to help the Vets in the V.A. Hospitals.

Many of you new residents and even some who have been here awhile may not be familiar with the SFTW program please feel free to contact me. I will be happy to share with you about it.

Call me or stop by:
Ray Morris 352-598-2386 37543 Landis Ave.

FRIDAY CONNOISSEURS

A group of 26 Connoisseurs went to Walk On's in Lakeland on Friday April 8th at 2:00 PM. We had a bit of a wait but that was because of our early arrival. Everyone enjoyed the food and service.

On May 13th Connoisseurs will be hosted by Linda Tutin and Jean Sanders at Rock & Brews in Wesley Chapel. This location is at 26000 State Road 56 W. by Longhorn Steakhouse. The signup sheet is in the Community Center. All residents are welcome to join us for good food and conversation.

THANK YOU!

We would like to thank Reg Cole and J D Blair for keeping our community free of trash. Reg picks up along Green Slope at our fence line and JD rides our streets and picks up items (butts) that have been dropped or blown around the neighborhood. JD also takes care of the disposal of our tattered U.S. flags. There is a bin for the damaged flags in the Community Center.

Our thanks to both of you

It's great to be able to put a name to a face or vice versa. You meet someone and then you get busy and you forgot the name. So you go to the directory and look for the picture of a neighbor you met then connect with the face. Or like me, I'm telling my husband who I met or who I was talking to and I can look in the directory for the picture and then he says or yes I remember him/her. You can't do that if it's a silhouette. We are all seniors and it's hard to remember. We live in a great neighborhood. Let's get to know one another, we might need the help or company one day.

HURRICANE SEASON IS UPON US

As we begin to see more humid days and more possibility of rain please take a moment to take stock of your home and surroundings. If you are leaving your home for vacation please make sure to secure your home. Not just doors and windows but for anything in your yard or under your carport or other open areas that can become "airborne" in the event of strong winds that accompany the severe thunderstorms we get each year or, dare we say it, a hurricane. Patio furniture, tables, decorative planters, grills, etc. that are not firmly attached can be moved by such storms. So please make sure they are secured and stowed away as much as possible.

SECURITY STARTS WITH YOU

In Florida, it's commonly known that "55 and over" communities often see a departure of a significant number of residents that travel during the hot summer months. This makes these vacant homes a "desirable" target for would be thieves. If you are going away, please make arrangements to let any neighbors who are staying know and ask them to keep an eye on your home. If you are staying and happen to see someone suspicious "lurking" around someone's home who is away, call the police. Sometimes, caution is the best course of action to take. And if you see something or someone suspicious, call the police.

ROAD RESEALING

As some of you may know, this year we are planning to have the roads resealed. This means there will be road closures while the seal coating "dries". We will do everything we can to let people know. If you haven't enrolled in our One Call system and signed the authorization form, please do so soon. That will be the primary means of communicating to everyone. We will have the information posted in the Community Center as well. Right now we are waiting on the company to notify us when the sealer they will be using is available.

HOA BOARD MEETINGS

On Thursday, April 14th the Board of Directors voted to suspend monthly board meetings until September. The board will still be functioning and operating to keep the bills paid and address issues within the community such as community center, swimming pool, shuffleboard courts, etc. And certainly all board members are open to being contacted by any resident within our community.

POOL REMINDER

When you are done with the umbrellas please remember to lower them and tie them. With the chance of significant storms increasing if they are left up they will be damaged. There have been several instances where they were left up and open and had to be lowered by other residents. So please, make sure their down. And please insure your guests are aware of this as well.

Also, do not forget, guests must have an orange wrist band. Otherwise they may be asked to leave the pool area. And per the rules, guests, under the age of 18, may use the pool if accompanied at all times by an individual who is 18 years of age or older. If there are guests who are not 18 and not accompanied by someone 18 or older they will be asked to leave the pool.
