

Grand Horizons HOA President's Report November 10, 2022

We survived having our roads resealed!

Many thanks to everyone who cooperated and “stayed off” the roads as they cured. Your cooperation is greatly appreciated. And also special thanks to Tom Cooper who helped coordinate the removal of cones as well as keeping gates open as needed. There was a lot of car shuffling in the game called “find a place to park” but we all made it through it. Many with some smiles and laughs as they recall going through the same thing in the past the last time this was done.

Special announcement on the board. There will be 4 positions that are up for election on the Board of Directors. For anyone interested there will be a sign up sheet posted in the Community Center bulletin board. It's a wonderful and rewarding opportunity for anyone who wishes to participate. I highly encourage you to volunteer.

November brings us to Thanksgiving. It's a time when we all should reflect and consider where we are in life and the things we are grateful for and the blessings we have in our lives. For me, it's my wife, Stephanie, my family, my friends, and of course, for the many fine residents here in Grand Horizons.

Oh, and my cats have reminded me that I am to be grateful for their supreme presence and commanding ways in my life as well. If you own a cat, you know what I'm talking about.

As Thanksgiving approaches may you find all the blessings it has to give. And let it lead us into the upcoming Christmas season with all the joys that it has to bestow upon us all.

Thank you,
Bill Huckleby
President, Grand Horizons HOA BOD
